Friday 13th January 2023

Headteacher: Mr M Currie

Deputy Headteacher: Mr L Clarke

Dear Parents and Carers,

I would like to extend a warm welcome back to all of our children and families. I hope you had an amazing Christmas and New Year and you are all making headway with your New Year's resolutions. A special welcome to our new Nursery children and their families - it is lovely to see our nursery thriving and full. I am a true believer in being the master of your own destiny and with this mind, I am extremely optimistic that we will all work hard to ensure that 2023 is an amazing year for everybody at South Borough.

Friends of South Borough

I had the pleasure of joining the FOSB meeting on Monday, during which the committee reflected on the fantastic Christmas Fayre and agreed some exciting plans for 2023. We also shared ideas for projects that any funds raised could be contributed to. The minutes have been uploaded to the FOSB Facebook Page - please do have a look and contact one of the committee members, if you have any suggestions or indeed are able to offer any assistance. I am truly grateful for the time that volunteers give up to organise and support FOSB events - they go a long way to giving your children just that bit extra.

Governors

Turning now to another voluntary body, our school Governors. Our Governors are a crucial team of people, who provide support and challenge to the Leadership Team, in order to continue the school's improvement journey. Yesterday, we had a Quality of Education of Meeting, where Governors joined leaders to look at teaching and learning across the school. We looked at the provision in maths, reading and SEN and Governors were extremely impressed with everything they saw. A huge thank you to the Governors for the time that you give up to support our school. I am also delighted to let you all know that we have welcomed Dr Anthi Zeniou, who joins us as a Parent Governor this term.

Redecoration

I am delighted to let parents know that, we have managed to secure funds to have a complete redecoration of our Large Hall. This is well overdue and will hopefully be done in time for the end of the academic year. We will keep you posted with photographs etc once the work has started.

Thank you as always for your support. Wishing you all a fabulous weekend.

Mathew Currie
Headteacher

Reminder - allergies

A reminder to parents to check the ingredients and allergen information on the packaging of the products you put in your child's packed lunch.

Please avoid sending your child into school with food items that contain nuts, peanuts or traces of peanuts,

Children's Books Wanted

Do you have any children's books that you no longer need or want? Perhaps you are having a January sort out to make space for Christmas presents?

If so, the Friends of South Borough are collecting any unwanted children's books for the school. Books do need to be in good condition please.

If you are able to help, please drop any donations into the school office in a carry bag.

Power of Purple Awards

We are so proud to let parents know children across the school who have been awarded one of our new Power of Purple Awards. These stars have shown expected behaviours to an exemplary level over the last few weeks. They will be invited to a Sausage Sizzle on Friday and have the Best Seats in the House during our celebration assembly.

Congratulations to all of our winners!
