# LGBTQ+ Pride

**LGBTQ** stands for lesbian, gay, bisexual, transgender, and queer/questioning.

Pride Month is celebrated every **June**.

LGBTQ people form a large community that fight negative attitudes and behaviours towards LGBTQ people. It is all about celebrating who you are and supporting equal rights for everyone.

# Pride Celebrations

Pride marches, parades, and festivals celebrate the differences between people in our world and promote equal rights for all.

They are held all over the world.

# Rainbow Flag

The rainbow flag, also known as the Pride flag, represents lesbian, gay, bisexual, transgender, and queer pride.

Many people will wave rainbow flags at Pride marches to show that they are proud of who they are and that everyone should be treated equally.

# All Different, All Wonderful

Things to remember:

Everyone should feel like they can be themselves.

Everyone should be allowed to be proud of who they are.

Everyone should feel like they can be themselves.
